

### INSET, Teambuilding & CPD

Activities, methods, planning tools & dynamic risk assessment. Some positive feedback from previous trainings: "Motivational," "inspiring," "fun," "invigorating," "relevant," "informative," "we all came away brimming with ideas for activities," "a great reminder of the opportunities we have in the grounds," "so refreshing, led by some of the most delightful people I have ever met."

INSET themes include Nature Connection & Forest School, Natural Flow Learning, Natural Musicians, Natural Storytellers.

### Forest School mentoring

I am a Forest School practitioner (level 3) and trainer. My book I love my World, is one of the most highly recommended Forest School training guidebooks. I offer ideas, expert guidance & training to help your teachers and students make the most of your forest school setting or school grounds.

### Enrichment & intervention

(make the most of pupil premiums!)

Do you have children who need inspiring to write or too timid to speak out in class?

Raise attainment levels and contribution in class by providing time outdoors, in touch with nature and their own natural abilities, under Chris's experienced guidance.

Themes include:

- Natural storytellers,
- Natural musicians
- Natural wordsmiths,

Single days provide inspiration, but a series of sessions instill motivation and deliver much longer lasting benefits.

### Curriculum enhancement & workshops

Tailored to inspire any topic and make best use of the outdoor classroom. Frequent requests: Australia topic days; Forces; Materials; Local area; Habitats, Rainforest days; Woodland walk; Homes topic days; Survival; Growing things; Egypt; Saxons; Hunter gatherers...

## What can Wholeland do for your school?

### Wild days out

Facilitated playful learning days at wild places near your school. So far we have visited Dartmoor, Haldon Hill, Budleigh Beach, the River Otter, Trill Farm...

### Chris the didgeridoo man

Perfect for Australia topics! Didgeridoo workshops - everyone gets a go! Storytelling & whole school assemblies. Aboriginal dreamtime tales, earth-pigment painting & more [www.thedidgeridoo.com.au](http://www.thedidgeridoo.com.au)

### Storytelling, story crafting & re-telling

An internationally known teller and contributor to the the new guidebook Storytelling for a Greener World, Chris works with Creation tales & fables from around the world to instill a wonder for nature and respect for different cultures.

### Camps for the stars! Overnight camps in your school grounds and beyond

Campfire, stories about stars, nature games and environmental art activities, sleeping under canvas - an unrivaled way to build group spirit at the beginning of a year or look back on time at school.

### I love my World by Chris Holland

"This book is a must" Michael Morpurgo

The best selling outdoor learning and forest school handbook - all activities are linked to the national curriculum, with free online video & colour images slideshow. Full colour Ebook or B&W paper. "The best day of my life!" Freddie, yr4

"Invigorating, challenging, fun and best of all,  
outside!" – Deputy Head, Junior Kings, Canterbury  
referring to INSET training with 70 staff

"With gentle humour and wordsmithing skill Chris  
Holland leads you into a place of imaginative  
thoughtfulness and soulful smiles. His storytelling  
comes from an understanding and relationship  
with the earth that opens the listener to the  
natural world. Always a delight!"

"Everyone was talking about how much they got  
out of it and planning how they were going to use  
your activities with their children."
